REQUEST FOR CERTIFICATE OF CORRECTION

Dear Sir:

Upon review of the above-referenced Letters Patent, the following error was noted that is the mistake of the U.S. Patent and Trademark Office.

Please correct the following:

In claim 1, column 9, line 29, "the chaotic characteristic" should read --determining the chaotic characteristic--.

The correct language can be found in amendments to claim 13 provided in the Amendments and Response filed on July 22, 2009. The Notice of Allowability mailed December 23, 2009 indicated that the Amendment was filed. However, the U.S. Patent and Trademark Office appears to have later introduced the error in the issued patent.

Included with this submission is a Certificate of Correction; it is respectfully requested that the Certificate of Correction be issued. This request for correction is made under the provisions of 37 CFR 1.322.

It is believed that no fee is required as part of this request. However, should a fee be necessary, the Commissioner is hereby authorized to charge shortages or credit overpayments to Deposit Account No. 500393.

Respectfully submitted,
Schwabe, Williamson & Wyatt, P.C.
